- Is there a way for us to publish these number and communicate with the congregation if or when there is a decline?

In addition to our local government lifting its ban or guidance against public gatherings, are there other signals you would want to see before...orship service at church? Select all that apply

# WORSHIP SERVICE

## WORSHIP SERVICE FEEDBACK

- The majority of the congregates are open to signing up for service and willing to attend worship service at a different time.
- The most popular worship service is Sunday @ 9AM followed by Sunday @ 11 AM (see next slide)
- I think it's important to note the Saturday service Idea as well, with approx. 80 affirming responses.

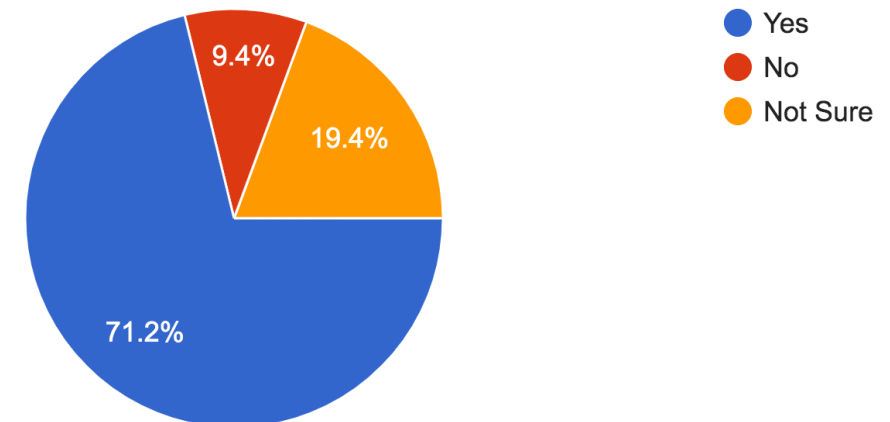

Would you be willing to attend a worship service at a different time than you typically attend to allow people to be more spread out in the sanctuary?

## WORSHIP SERVICE AREA TO THINK ABOUT:

### Overflow?

Though 50% affirm, given what we know about CDC suggesting we limit space should we have an overflow option?

Would you be willing to attend a worship service in an overflow room to ensure people (in the sanctuary and overflow rooms) are spread out?
